

“LabVIEW-Multisim exposure through Integrated Electrical Machines & Drive Systems (IEMDS) Laboratory”

OBJECTIVE OF THE WORKSHOP

To expose the aspiring engineering students to the graphical programming environment of LabVIEW & Multisim Softwares and the concepts of Co-simulation, Automated Data Acquisition.

Tutorial sessions on building Virtual Instruments (VI) in LabVIEW, schematics in Multisim and experimentation on Data Acquisition at Integrated Electrical Machines & Drives Systems Laboratory (EEE, GVPCE) will be held.

What is this workshop?

- A perceptible training programme on the software LabVIEW - Multisim, with an emphasis on Data Acquisition (DAQ) through hands-on experimentation in an Integrated Systems oriented Machines & Drives Laboratory.*

Why is this workshop important?

- Learning the software LabVIEW - Multisim would be a promising first step for any student towards building a simulation model or a control algorithm with an aspiration to execute it with real Data/ Process/ System.*
- A hands-on experience on working with LabVIEW-Multisim & Data Acquisition in a laboratory with Systems Approach would trigger ideas for executing mini-projects, projects and research ideas.*

How does the workshop ensure impactful learning?

- Each important learning aspect of the software, hardware will be discussed elaborately while lecturing and relevant handouts will be provided to the participants. This workshop is effectively planned in such a way as to provide the participants with good amount of time in tutorial sessions in the software and hands-on experimentation on the hardware following lectures over brief intervals of time.*

Workshop Chairman: *Dr. Sastry V Vedula*, Sr. Professor, Dept. of EEE

Workshop Convenors:

Dr. K. Narasimha Rao

Prof. & Head of the Dept, EEE

Workshop Co-ordinators:

Mr. Prasanth Kumar Das

Associate Professor, Dept. of EEE

Workshop Organisers:

Asst. Professors from EEE

Mr. P. Tejeswara Rao@

Ms. M.V. Pankaj Lahari

Ms. D. Ganga Bhavani

Ms. G. Vanitha

Ms. J. Usha Rani

Dr. N.Bala Subrahmanyam

Prof. & Head of the Dept, ECE

Dr. G.V.E. Satish Kumar

Associate Professor, Dept. of EEE

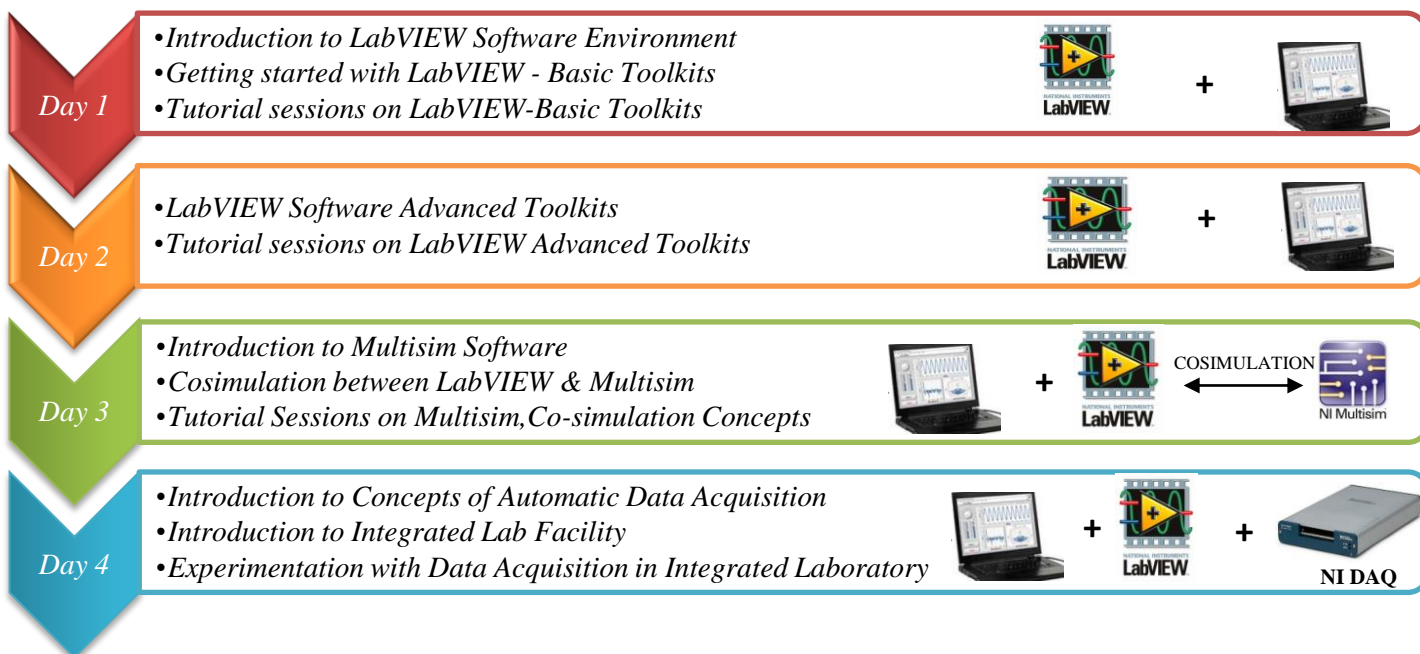

Asst. Professors from ECE

Mr. M. Sreenivasulu

Mr. R. Manoj Kumar

@ **Contact Details:** 7893784310 (C), Email: tejaspm.patruni@gmail.com

AGENDA OF THE WORKSHOP

DETAILS

Dates & Venue: Starts from 27th – 28th August, 2016 & 3rd – 4th September, 2016 at GVPCE (A), Visakhapatnam, Andhra Pradesh (Accommodation will be provided for limited number of students at an extra cost)

Fees: For Students -Rs. 1200/-

For faculty/ professionals – Rs 2500/- (Fee will be collected on the day of workshop)

How to register: Interested candidates have to register in the college website: <http://gvpce.ac.in/>

Last date for registration:

10:00 PM, 25th August, 2016
