ABOUT THE INSTITUTION

GVP College of Engineering (GVPCE) was established in 1996 for the promotion of quality technical education in Andhra Pradesh. The college is very actively involved in a number of research and consultancy projects. Because of its consistent good performance since its inception, the College has been granted AUTONOMOUS STATUS w.e.f. 2009-10 and has been accredited by the NAAC in April, 2009 with ‘A’ Grade with a CGPA OF 3.47/4.00. All the undergraduate courses are accredited by the NBA with 4 out of 7 programmes getting accreditation for 5 years. The College has been selected in 2003 by the Government of AP and the Government of Germany(GTZ) as their partner to establish and administer an Institute called Indo-German Institute of Advanced Technology in Visakhapatnam.

GVPCE has distinction of receiving funds from the World Bank under TEQIP-II, S.C-1.2 for scaling PG education and demand driven R & D and Innovation. The Department of Science and Technology, New Delhi sanctioned the Scientific and Industrial Research Centre to support the research activities in GVPCE. Research & Consultancy projects, committed faculty, Publications of faculty, well equipped laboratories, good infrastructure facilities and top quality students are major strengths of GVPCE

ABOUT THE DEPARTMENT

The department of Civil Engineering was started in 1999 with an intake of 30 students. The current intake is 120. The department also started M.Tech programmes in Infrastructural Engineering & Management (2008) and Structural Engineering (2011) with an intake of 18 each. The department has well-qualified faculty and non-teaching staff and well-equipped laboratories to impart training to the students. The faculty are also working on internally & externally funded R&D projects and have published their research in various journals and conferences. All the faculty are actively involved in consultancy projects. The department has been identified as a State Resource Institution (SRI) by Ministry of Home Affairs(New Delhi) under NPCBEERM. All the faculty are actively involved in consultancy projects to the tune of Rs 2.0 Crores. The department was accredited by NBA for 5 years in the very first attempt. The department has been recognized as a research centre by JNTU, Kakinada.

OBJECTIVES OF THE CONFERENCE

The main objective of the conference is to bring together different researchers from all over the country, including the professionals and scientists from R&D, educational institutions and construction industry to a common platform for exchange of ideas and to share their research findings and experience. The themes of the conference have been selected accordingly. This conference will open up avenues in the emerging areas of Civil Engineering for further study. During the conference extensive deliberations in various areas are expected by way of technical presentations, invited lectures and keynote addresses.
