Research

Sri P.Srinivasa Rao, O.P.Gupta ,S.S.N Murthy, and A.B.Koteawara Rao authored a paper "Effect of process parameters and Mathematical Model for the prediction of Bead Geometry in pulsed GMA welding" which was accepted for publication in **International Journal of Advanced Manufacturing and Technology** (manuscript# **IJAMT2790R3**– Springerlink) .

Prof. A.B.Koteawara Rao, SV Subramayam and B. Pradeep JaiSimha published a paper, "Design optimization of a 3-DOF RRR Robot and optimal Location of a component in workspace" in the proceedings of an international conference on "Emerging Research and Advances in ME"(ERA-09) held at Vellammal Engineering College, Chennai in March 2009.

PSR Srikant, k. Ramji and Prof.ABK Rao presented a paper "Dynamics Behavior of 4-Wheeled vehicle By Characterizing its power special density" In an International conference on Computation Methods in Engineerig and Sciences (CMES-09) held at CBIT, Hyderabad during 8-10 January 2009.

Sri Sanjay Kumar , Anand Babu, P,S,Rao and A. Rama Krishna had a paper 'Mathematical Modelling and optimization of Process and Parameters to predict the weld bead geometry impulse GAM Welding process" in CD Proceedings of national conference "ON Recent Trends in manufacturing Technology " held at Anna University, Chennai during 6-7 March.

Dr. KV Ramesh, associate professor of CH E from AU gave a guest lecture on understanding "Nano Technology" to the senior students of Chemical Engineering of our college.

Prof. MS Rao delivered a lecture in an International workshop on "Data Processing and Parametric Estimation in Chemical Processes" on 30 March at AU.

Sri k. Suryanarayana , Asst. Professor, Ch E attended a workshop on Research Initiatives at the

Prof. B.Srinivas, HOD of Ch E conducted a two– day workshop on Chemical Engineering process Stimulation during 20-21 March for the Students from various Engineering colleges.

Srinivas M., Associate professor of Civil Engineering participated in a workshop , "Deep Foundations-related Issues" conducted by the dept.of CE and Indian Geophysical Society, Vizag in March.

FACULTY NEWS

Sri P V Aravind and **sri G Mahendra** joined as assistant professors in the department of Civil Engineering.

Sri Papa Rao and **Sri Markandeya Raju** were promoted as associate professors.

Dr. Rambabu, Dr.YVPK Raghava and Dr. B. Govinda Rao were promoted as professors in the department of Chemistry, Physics and

Dr. Atchuta Ramam— Associate Prof. (English)
Dr. PV Ramana Reddy - Associate Prof. (Maths)
Sri P. Appala Charyulu- Assistant Prof. (Physics)
Sri K. Narasimha Rao- Associate Prof. (EEE)
Prof. D. Murali Krishna— Visiting Professor (CSE)
Sri MVGS Murthy — Assistant Professor (CSE)
Sri G.Siva Kumar — Assistant Professor (C E)

STUDENTS' MATTERS :

CHEMICAL ENGINEERING B.TECHIES BAG PRIZES

first prizes won in SANKETANI -09 at OU on 14 March — M. Kavya, RF Nightingale of second Year — paper presentation. **Mr. T. Vamsi Krishna** and **Mr. ks Srujan Kanth** of third year— paper presentation. **Mr. Y. Chaitanya** and **Sai Surendra** of second year—poster presentation.

Eight students of third year B. tech attended CHEMISIGHT-09 at IIT, KGP for paper presentation on 16 March.

Ms. B.Himaja and Anupriya of second year won first prize in poster presentation on 20 March in BIOMICAL-09 held at GITAM University , Vizag .

Guest lectures

Try not to become a person of success, but rather try to become a person of value.

- A. Einstein

Sri D. S. Sastry , GM, (Technical and Research), VSP, interacted with the staff in connection with the research activities in the VSP in the Mechanical Seminar Hall on 22 January, 2009.

Mr. R. Vinay kumar Reddy, An alumnus of IIM, Kolkata interacted with the senior studentson "Multi-career opportunities and Management Studies" under the auspices of Magnus School of Business and GVPCE. on 28 January in the auditorium

auditorium .

Sri Murthy VA Bondada of USA delivered a speech on urban transportation on 30 January. He has agreed to associate himself with the department of CE, GVPCE for a year to undertake research and consultancy projects.

Sri Nikhil Rao of Sherritt International corporation , Edmonton, Canada Interacted with the senior students on 13 March.

Prof. VSR Moorthy, a famous spiritual scientist addressed the first year students on 16 March.

REPUBLIC DAY CELEBRATIONS

Republic Day celebrations were held on August 15.

Took the lead in conducting Adarsh Ship Management (P) Ltd., in an on the campus drive wherein 35 students are selected during 17-19 February.

Motivated about 40 students "Technopreneur promotion programme" organized by the dept. of Chemical Engineering,, AU during 27-28 February.

Conducted Cybernet Slash Support off campus drive in which 5 students (One from Civil Mr. Vivin R) were selected on 8 March from the college.

Conducted TCS- FDP for the faculty of GVPCOE- GITAM on 21 March.

Sri B. V. Shiva Kumar was entrusted with the additional charge as Placement officer of the college with effect from 12 February.

GATE WINNERS

18 students of CSE cleared GATE Exam .
Laurels by Chemical Engineering Students ; 15 students of Chemical Engineering were qualified in GATE EXAMINATION.

Mr. JS Murthy and Ganesh M. of fourth year Chemical Engineering bagged 3rd and 16th ranks respectively.

DO SOMETHING

Sri ASN Sastry (CIRC&D)

During difficulties, people often look at their circumstances and feel that they have no power to change things. Usually, they will either complain, or simply *do nothing*. Just as it only takes one candle to illuminate the darkness, those solitary individuals who choose to *do something* become instruments of change.

You may feel that your actions don't matter. You may feel that you can't possibly make a difference. You may feel that it is pointless to try to improve things. But, you are *one*. All that is needed to change the world is *one person* taking action.

As we take the first step, we set the wheels of change into motion. By doing what is right, standing up for our beliefs, and speaking out, we make the world a better place. Be a light for others so that they can become inspired to improve the world around them. What **SOMETHING** are you going to do TODAY?

CICRD conducted a training programme on '5S' for rain calcing plant during 17-18 February. Prof.TBVS Rao, Sri ASN Sastry and Prof.S.Rajani were the faculty .

Another programme "TPM, 5S and Kaizen was conducted for Naval Dockyard by Prof.TBVS Rao, Sri SRS Sankara RProf.S.Rajani .

"Giving people a little more than they expect is a good way to get back a lot more than you'd expect."
