

Center for Medical Imaging Studies

*...beyond
innovation*

Lead Mentor

Prof. Dr. Birendra Biswal
Dean (R&D)

GVP College of Engineering
Visakhapatnam

Achievements:

1. Completed first SERB funded CRG project with GOOD grade worth Rs. 21,73,800/-
2. On-going second SERB funded CRG project worth of Rs. 50,49,484/-
3. Organized three National workshops in the area of medical imaging by receiving a fund of Rs. 7,00,500 from different funding agencies like SERB, CSIR etc.
4. Three M. Tech students have registered for doing Ph.D. in reputed institutes like University of Auckland, IIT Delhi, NIT Rourkela.
5. Around 6 B. Tech students have registered for doing M.S/M.Tech in reputed institutes like University of Monstreal, New York University etc. 16 B. Tech students have undergone internship at CMIS.
6. Published more than 30 SCIE research articles in the international journal of repute with average impact factor 4.5 along with 10 international SCOPUS conference papers in the area of medical imaging.
7. Received first best paper award in an IEEE International Conference on Advances in Electronics, Communication, Computing and intelligent information systems, BIT, Bangalore.
8. Filed a U.S patent titled "Multivariable Artificial Intelligence (AI) Based Monitoring System for Early Detection of Glaucoma".
9. Signed 4 MoUs with different Corporate hospitals in India and Abroad.
