Research Guides for the above research scholars (Sl. No.01to 65) who have been admitted into Ph.D (Part-Time) Programme in respective disciplines through AP-RCET under Andhra University Trans-Disciplinary Research Hub have been approved. The Research Scholars are directed to submit the joining reports forwarded by the concerned Research Guide to the office of the Dean, AU TDR-HUB within 15 days from the date of the receipt of the Proceedings.

All the Research Scholars are subjected to follow the Academic Regulations and Guidelines for Ph.D. Programme under Andhra University Trans-Disciplinary Research Hub (A.U. TDR-HUB), which are now in force, or those that may be amended from time to time.

Further, all the Research Scholars are advised to follow the A.U. TDR-HUB Website regularly. **Every Research Scholar should register in the e-Portal of A.U.TDR-HUB to obtain the Unique Registration ID and the same is to be mentioned in the joining Report.**

NOTE: On request of the Research Scholar, endorsed by the Research Guide, a Co-Guide will be assigned to work in the research areas that are of Trans-Disciplinary in nature.

Subject: Request for Supervisor Change – Reg.

Respected Sir,

I, Narayanarao Vemulada, bearing Unique ID: TDR-HUB-2023S428 and son of V. Apparao, joined the Ph.D. (Part-time) program in the Computer Science and Engineering Department at AU-TDR-HUB on 28-04-2022. With reference to the proceedings of the Honourable Vice Chancellor regarding Guide allotment with Number AUTDRH, GA (Engineering)-2022-23 dated 14-10-2022, I have been under the guidance of Dr. G. Satya Keerthi, Associate Professor, Department of CSE, GVP College of Engineering (A) until now.

I am writing to formally request a change of my Ph.D. supervisor. Currently, I am under the guidance of Dr. G. Satya Keerthi, and I would like to make this change for reasons that are purely academic. While I deeply respect Dr. G. Satya Keerthi for their expertise and contributions to our field, I feel that my research interests and methodology have evolved in a direction that might be better aligned with a new supervisor, as my area of research interest is completely different from my supervisor suggested area.

In this regard, I kindly request you to change my Ph.D. supervisor and allot a new supervisor according to the established norms as soon as possible. I am very thankful to you for understanding and considering my request.
